

CLUB MEETING SERVICE

Let's try something new! Everyone gets a turn to serve with lots of advance notice. Look for your name below. (onetime only!) If you are unavailable on the assigned day, please attempt to trade with another member. If within a week of the service date, and you are unsuccessful at finding a replacement, please contact President Gary Stasco only. The club secretary will not be administering this.

¹ Arrive by 12:05 and add the greeter badge to your name badge. Warmly welcome all members & guests!

² Arrive by 12:05 pm and ensure guests names are neatly recorded. Stand by podium after the prayer & pledge to announce our guests.

³ Bring your own prayer or select from stand by ones that will be available. Be by podium when the bell rings. Remember everyone will be standing so keep any extra comments short.
